Smyrna
Concert & Congress

WELCOME!

Welcome to Smyrna Concert & Congress! In the fall of 2023, one of Gothenburg's most modern buildings, Frihamnskyrkan, was inaugurated with all the prerequisites for creating community, meetings and lasting experiences.

We want to help you create great experiences for you and your guests. Here you can find solutions for small and large events. A meeting place for community. Our venues are modern and flexible for memorable meetings. The location in Frihamnen is central, unique and offers a fantastic view!

Welcome to contact us so we can find a tailored solution just for you.

STORA SALEN

STORA SALEN

Stora Salen is without a doubt West Sweden's most modern auditorium. With its unique architecture, designed by the Elding Oscarsson agency, brand new technology and world-class acoustics, we have all the possibilities to make your event unforgettable.

Stora Salen is our largest hall where seating is comprised of the main floor and balcony. On the main floor, it is possible to furnish for dinner sittings, cinema setting or an empty floor for example trade fairs and mingle areas. With a large LED screen and the possibility to easily create a blackout hall, the Main Auditorium is a unique room with its undulating lines, soft colours and beautiful light.

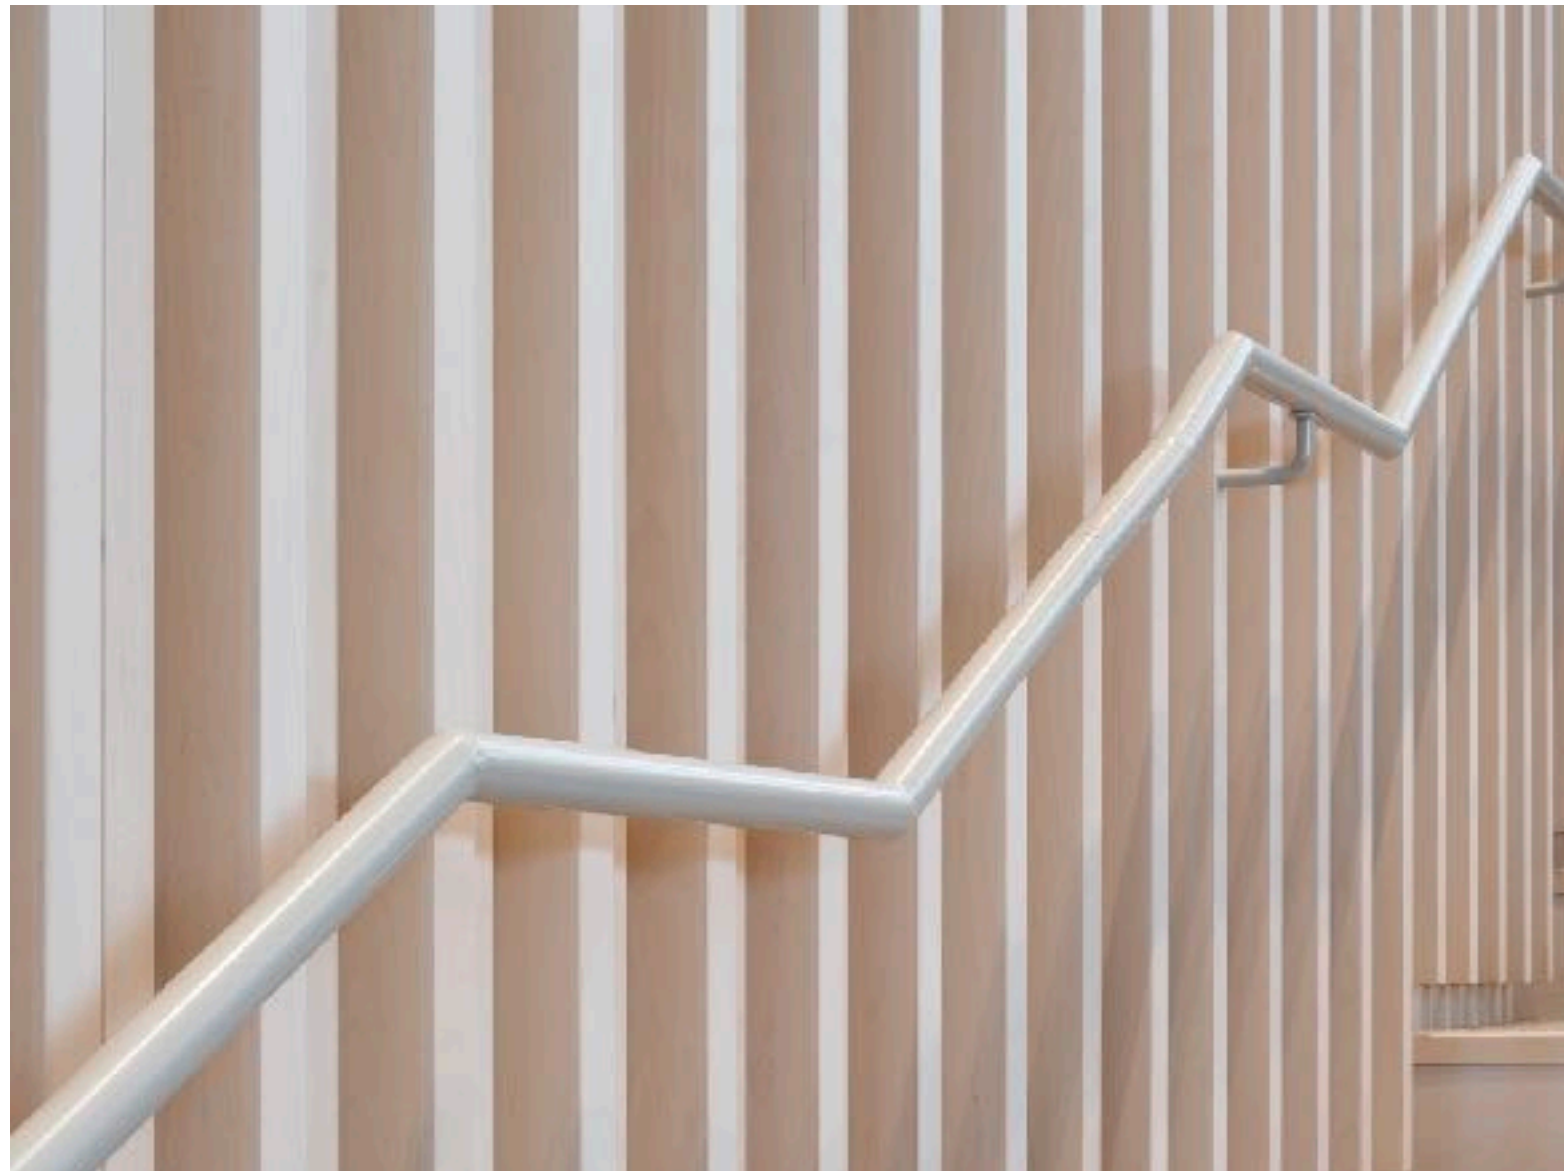

CAPACITY

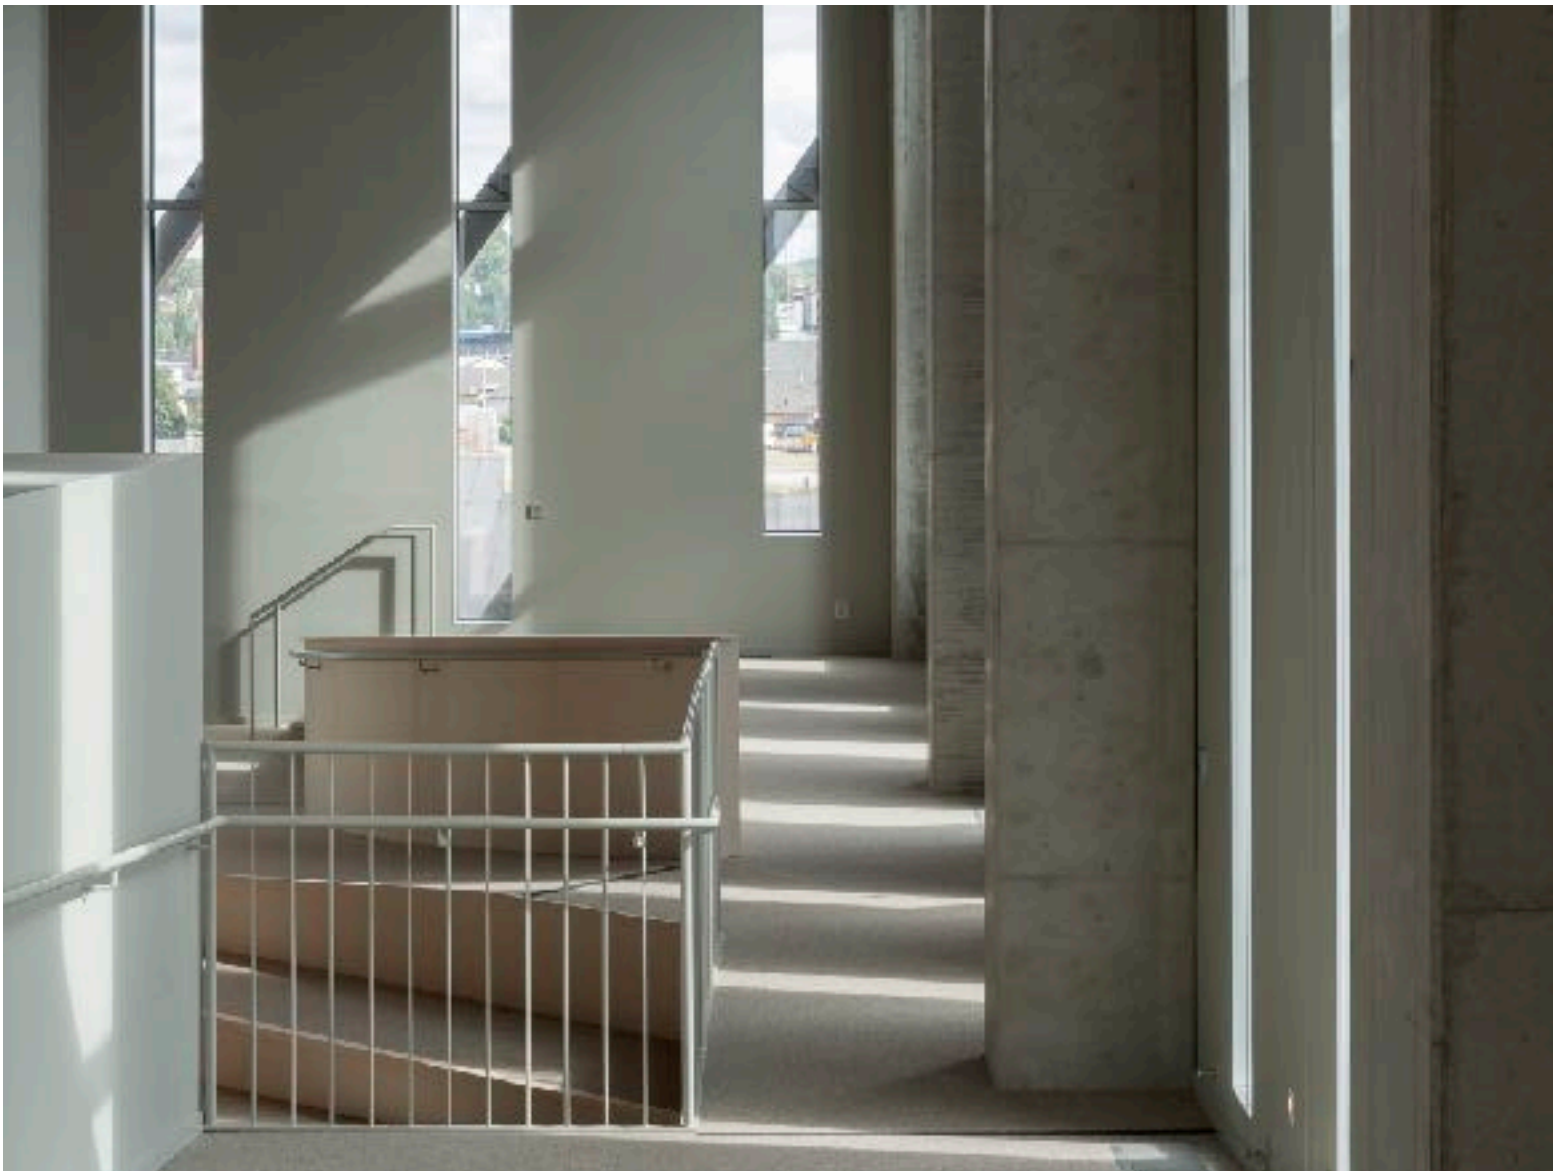

Seated: 1050
Standing: 1100

WE GOT...

- State of the art acoustics
- Gothenburg's biggest 4K LED-screen (Approx. 10m x 4,5m)
- Modern stage lighting system with scaling possibility
- Industry leading sound equipment
- Professional streaming equipment
